Itinerary

Day 1 New York City

Welcome to the “Big Apple!” Enjoy time at leisure to relax or to do some independent exploring.

Day 2 New York City

New York City is one of the world’s most exciting cities, buzzing with atmosphere and packed with fascinating sights. On today’s sightseeing tour, see the major attractions—Broadway, the Empire State Building, Greenwich Village, bustling Chinatown, City Hall, Wall Street, and Trinity Church. This evening, choose from the city’s many fine restaurants or maybe take in a Broadway show.

Day 3 New York City–Pocono Mountains–Niagara Falls, Canada

Depart Manhattan, heading northwest across New Jersey through the Pocono Mountains and into upstate New York, arriving in Corning at midday. Late this afternoon, cross the border at Rainbow Bridge and proceed to the Canadian side of the Niagara River in Ontario. Spend the next two nights in beautiful Niagara Falls.

NOTE:

This vacation requires a Canadian Visa as you visit Niagara Falls on the Canadian side.

Day 4 Niagara Falls, Canada

The power of Mother Nature overwhelms the senses at one of the world’s most incredible natural spectacles. Your morning sightseeing will give you spectacular views of the falls from scenic points on the rim of the gorge and from the deck of your sightseeing cruise, where you will experience the thundering water up close. The afternoon is free.

NOTE:

Operation of the Niagara Falls sightseeing cruise is subject to favorable weather conditions. When weather is unfavorable, a walking tour through the scenic tunnels will be substituted. Last day of operation for the 2015 season is 24 October.

Day 5 Niagara Falls, Canada–Philadelphia

Head southeast through the Appalachian Mountains and into the Susquehanna River Valley. Then, on to the handsome city of Philadelphia for an overnight stay.

Day 6 Philadelphia–Washington DC Area

The birthplace of American Independence, the “City of Brotherly Love” is steeped in history. Your morning orientation tour focuses on the historic landmarks, then on to the U.S. capital and seat of government, Washington DC, for a 2-night stay. Later, join the optional outing, featuring dinner followed by a tour of the city’s most famous memorials.

Day 7 Washington DC Area

The nation’s capital is a sightseeing treasure trove, and your half-day tour with a Local Guide features the Korean, Vietnam, and National WWII Memorials, Arlington National Cemetery, and other well-known sights. Stop for photos at the White House and Capitol Hill. The afternoon is free. Your Tour Director will suggest independent activities for exploring this fascinating city.

Day 8 Washington DC Area–Los Angeles

Morning at leisure before transferring to the airport for your flight to Los Angeles.

NOTE:

Intra-tour air from Washington DC to Los Angeles is not included in the tour price and is to be arranged on your own.

Day 9 Los Angeles

Begin the day with a sightseeing tour of the world's "Capital of Glamour" and the legendary Sunset Strip. Afterward, the day is free for your own exploration. Visit Hollywood and the Hollywood History Museum, stroll down Olvera Street, or visit the Getty Centre with its wonderful art collection. For the evening, plenty of suggestions for dining and shopping will be available.

Day 10 Los Angeles–Palm Springs

Today we make our way to the desert oasis of Palm Springs. Ever since Hollywood stars first came here in the 1930s, laying claim to ranch-style estates and holing up in elite hotels, the clean dry air and sunshine have made Palm Springs irresistible. The rest of the day is at leisure. (CB)

Day 11 Palm Springs–Phoenix–Scottsdale

This morning, take a Phoenix sightseeing tour, including downtown and the State Capitol Building. Next, experience Old Town Scottsdale, where Western storefronts create an aura of the past.

Day 12 Scottsdale–Sedona–Oak Creek Canyon–Grand Canyon–Williams

Travel to Sedona, a thriving center for New Age arts set in Canyon Country. On to the weather-sculptured rock formations of Oak Creek Canyon. Travel alongside the San Francisco Mountains and beautiful pine forests to the South Rim of the GRAND CANYON NATIONAL PARK. Time to stroll the canyon rim—or for a once-in-a-lifetime experience, take our optional helicopter flightseeing excursion for incomparable views of flame-colored walls plunging 6,000 feet into the Colorado River. Overnight in Williams, a picturesque mountain town with Route 66 as the Main Street and the gateway to the Grand Canyon.

Day 13 Williams–Las Vegas

Cross the old Mojave gold-strike country, which still bears traces of century-old ghost towns set in natural desert beauty. Watch for Joshua trees, a species of the lily family that grows to more than 40 feet in height and can live up to 300 years. By late afternoon, reach Las Vegas, the fantastic city of feverish gambling, neon lights, bars, and glamorous shows. Be sure to explore some of the many themed casino resorts along the colorful "Strip." This evening, we highly recommend a night out to a dazzling stage show featuring top Vegas entertainment.

Day 14 Las Vegas

The morning and afternoon are free for you to swim and sunbathe at the hotel pool or explore the varied casinos and shopping plazas. Your Tour Director will have more suggestions to fill your day. Consider a river float trip through the Black Canyon.

Day 15 Las Vegas–Mammoth

A day of striking natural contrasts as the journey continues across the desert landscape of Nevada before crossing into California and ascending into the snowcapped Sierra Nevadas. Overnight in Mammoth, a popular alpine resort area surrounded by beauty and majesty—and within easy reach of Yosemite National Park.

NOTE:

Tioga Pass is closed typically from November to the end of May due to snow. When it is closed, this tour is re-routed to stay overnight in Tulare instead of Mammoth Lakes. Departures from the

end of May through mid-October are expected to overnight in Mammoth Lakes, however, weather may affect the routing of tours to Tulare during these times.

Day 16 Mammoth–Yosemite National Park–Modesto

Cross the high Tioga Pass and enter Yosemite National Park, a wonderland of spectacular lakes, cascading waterfalls, lush forests, and giant granite domes, pinnacles, and mountains rising more than 4,000 feet. Afterward, drive to Modesto.

Day 17 Modesto–Sacramento–San Francisco

Head toward Sacramento, capital of California, with time to explore Old Sacramento. “Old Town,” as the locals call it, features a Wild West ambiance. During your visit, see the country’s largest collection of Gold Rush-era buildings, a Wells Fargo museum, and a historic railroad museum. From Old Town, continue west to reach San Francisco by early afternoon. Cross the splendid bay with vistas of the San Francisco skyline and its magnificent harbor. On your city tour, see the main sights, including the renowned Golden Gate Bridge, Fisherman’s Wharf, and Nob Hill. Tonight you may choose to join your traveling companions for an optional evening in Chinatown. Explore this vibrant historic section of San Francisco that houses the largest Chinese community outside of Asia. Enjoy a lavish 4-course dinner at an authentic Chinese restaurant. End with a short walking tour of Chinatown, plus a ride on one of San Francisco’s famous cable cars.

Day 18 San Francisco

This morning, visit the famous and fascinating ALCATRAZ PRISON. Get a close-up look at the infamous federal penitentiary that was off limits to the public for years. Afterward, the day is yours to do some more exploring in the “City by the Bay.” Ride San Francisco’s historic cable cars or take a walking tour of one of the city’s diverse neighborhoods.

NOTE:

The National Park Service requires we disclose the value of the Alcatraz Prison visit is \$30US.
